Article 4, Part 2, Section 160 Standard Review Questions:

Provide written documentation addressing each of the standards listed below:

- 1) The existing land uses and zoning classifications of nearby property;
- 2) The suitability of the subject property for the purposes authorized under the current zoning;
- 3) The extent to which the proposed land use change on the subject property represents a fair balance between the rights of private property and the health, safety, and general welfare of the public;
- 4) The relative gain to the public as compared to the hardship imposed upon the individual property owner;
- 5) Whether the subject property has a reasonable economic use as currently zoned;
- 6) Whether the proposed zoning will be a use that is suitable in view of the use and development of adjacent and nearby property;
- 7) Whether the proposed zoning will adversely affect the existing use or usability of adjacent and nearby property;
- 8) The possible creation of an isolated district unrelated to adjacent and nearby districts;
- 9) The possible increase or overloading of public facilities including, but not limited to, schools, utilities, and streets;
- 10) The possible impact on the environment, including but not limited to, loss of natural vegetation, drainage, soil erosion and sedimentation, flooding, air quality and water quality;
- 11) Whether the proposed change will be a deterrent to the value or improvement of development of adjacent property in accordance with existing regulations;
- 12) Whether there are substantial reasons why the property cannot be used in accordance with existing regulations;
- 13) The aesthetic effect of existing and future use of the property as it relates to the surrounding area;
- 14) The possible effects of the proposed change on the character of a zoning district, a particular piece of property, neighborhood, a particular area, or the community;
- 15) The relation that the proposed change bears to the purpose of the overall zoning scheme, with due consideration given to whether or not the proposed change will help carry out the purposes of this ordinance;
- 16) Whether there are other existing or changing conditions affecting the use and development of the property which give supporting grounds for either approval or disapproval of the zoning proposal.
